What is SEC's EAP Pathway?

EAP program puts emphasis on students' ability to perform in all aspects of the English language at a level that ensures high performance at the University/College level. The EAP Program provides a strong emphasis on the students' ability to perform in all aspects of the English language (reading, writing, speaking, listening and grammar) at a level that ensures high performance in a university and/or college.

The EAP curriculum is designed to cover the needs of the students and thus includes reading and listening activities related to college/university lectures. Students are monitored on a weekly basis through their homework assignments and presentations.

The students are also instructed in how to;

- research and write formal essays
- how to improve their pronunciation, vocabulary and confidence in speaking through such forms as debates, seminars and presentations

Core EAP Program details:

- 12 weeks → three 4 week modules
- 25 hours/week program
- Program schedule: Monday to Friday 9 am – 3 pm
- Start dates: please follow ESL start dates
- Exams are held at end of each module
- Final exam is held at end of program

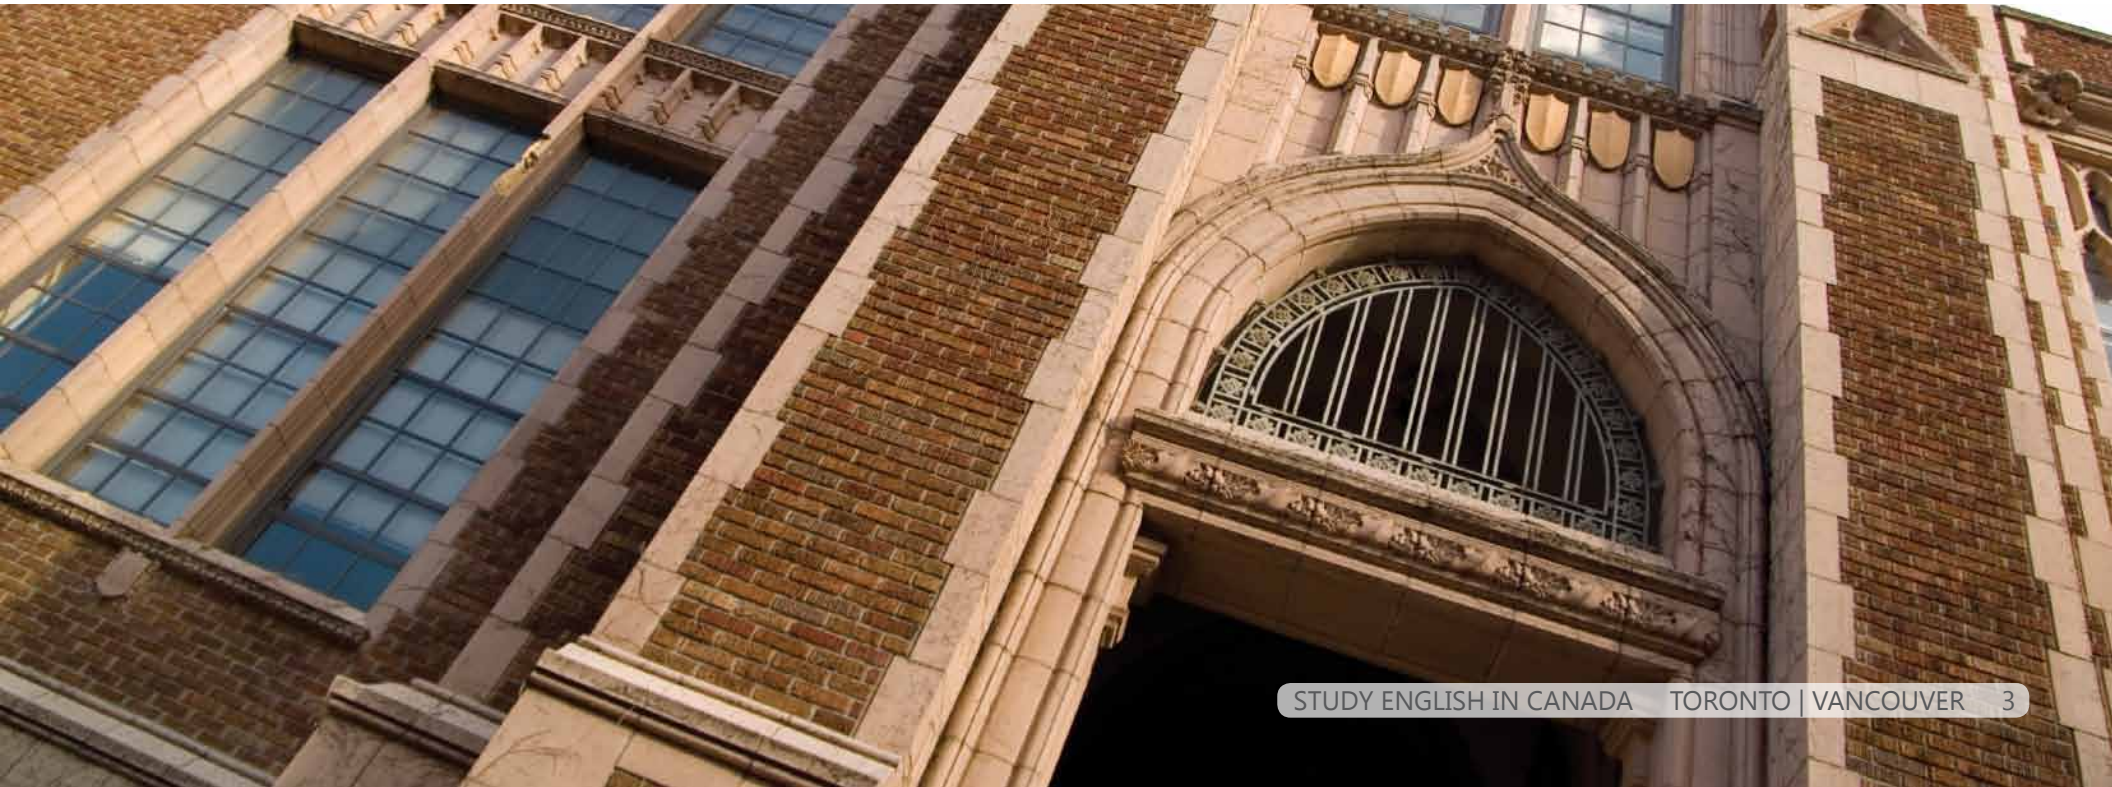

Why SEC's Pathway?

SEC is the best prep school for your future and we will ensure that students are well prepared to enter college or university upon completion of SEC's English for Academic Preparation program. SEC will provide students with strong and diverse pathways, which will open many doors for the future.

Advantages of SEC EAP Pathway:

- Guest lecturers provide students with the “hands on” college experience.
- Bi-weekly evaluations based on CAEL standards.
- Highly qualified teaching staff have years of experience with ESL and EAP instruction.
- Extensive monitoring and guidance from academic staff regarding their progress in the course.
- “Lecture style” classes in order to equip students with skills that they will need for academic life.
- Training not only in the academic field, but also in “real life” academic situations.

Students Choice → College vs. University

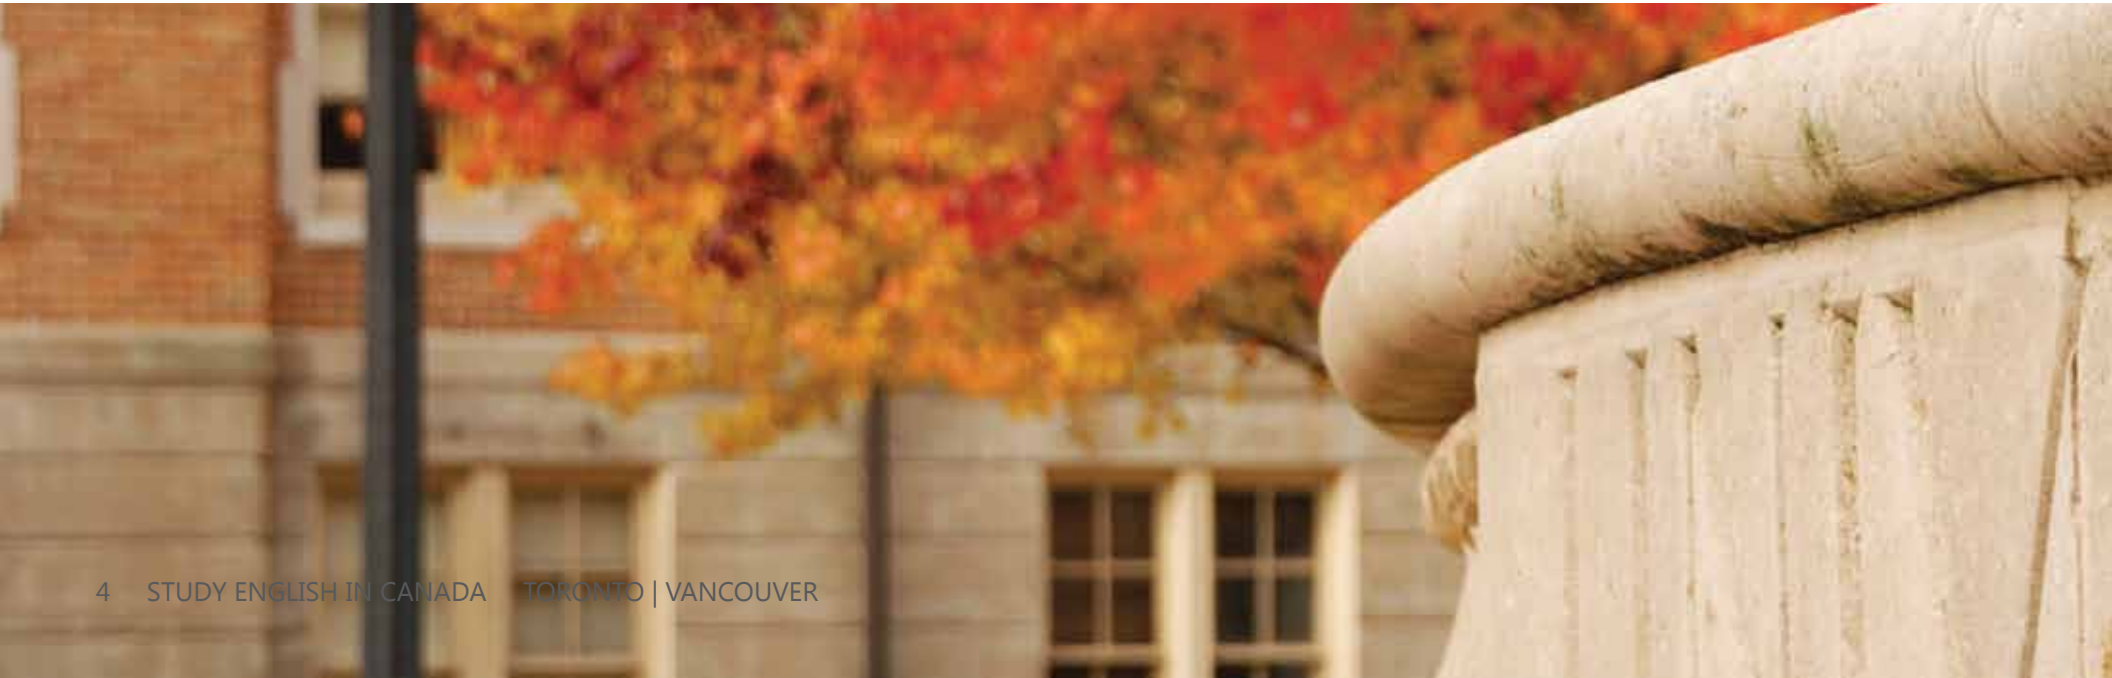

While some students choose to pursue higher education at the university level, others prefer to study at the college level. Both levels of schooling have advantages:

College:

- More flexibility in terms of length of study. Courses range in length from 1 year Certificate programs to 2 Year Diploma programs to 3 Year Advanced Diploma courses.
- Courses are more focused on career oriented goals
- Offer Post-Graduate Certificate programs

University:

- Grant degrees: Undergraduate and Graduate
- Offer Masters and PhD programs
- More academic oriented

SEC's Unique Services

Along with preparing students for their future at one of Canada's many educational institutions, SEC provides each student with a wide range of services:

- Full support with the application process
- Direct pathway to SEC's partner institutions
- Counseling on ESL and EAP programs
- Information support while students are in home country
- Individual counseling and planning from the moment students arrive at SEC until students successfully enter the university or college
- Monitoring of academic progress will be assessed through weekly and monthly reports
- Assistance with student visas:
 - SEC will arrange joint letters of acceptance from SEC and a conditional letter of acceptance from university or college
- Individual and group tours of educational institutions
- Educational seminars at SEC

EAP Admission Requirements

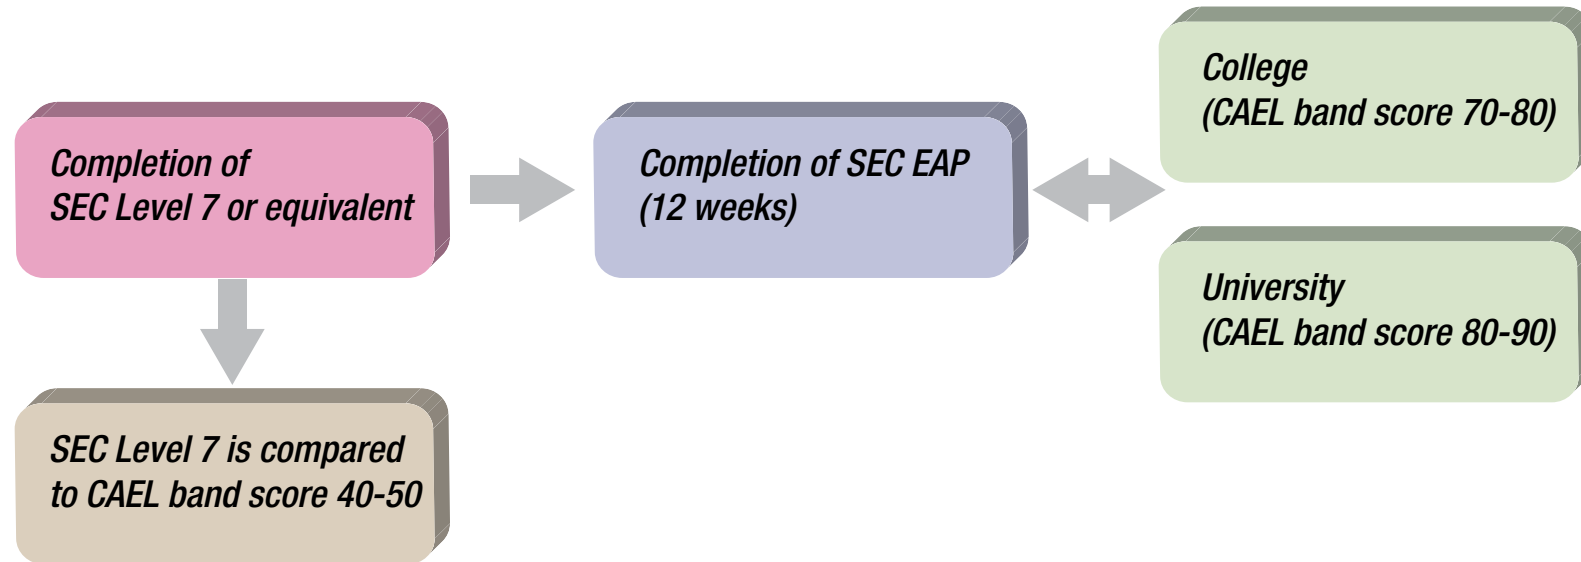

- Student will need to possess a high school diploma
- SEC Level 7 or TOEFL 65 - 79 or IELTS 5.0
- High intermediate/advanced speaking level
- Students will need to submit their high school transcript, college/university transcript (if applicable).
All documents need to be translated and notarized

EAP Program Requirements

- Attendance 80%
- Homework and Participation 80%
- Bi-Weekly tests based on Canadian Academic English Language Assessment standards (CAEL)
- Final exam based on Canadian Academic English Language Assessment standards (CAEL)
- Students must receive a minimum band score of 70-80 on final exam to enter college and 80-90 to enter university

English for Academic Preparation Map

Procedure for SEC EAP program

- Student applies to SEC EAP program from home country
- Student writes the SEC English Placement Test from home country
- SEC Headquarters marks the test, and schedules an oral exam via telephone
- SEC sends test results to Agent, and places the students in suitable English classes (corresponding to test results)
- Registration to SEC is made
- SEC processes application and provides College/University with student's high school transcripts (and college/university transcripts if applicable)
- Student receives Letter of Acceptance from SEC and conditional letter of acceptance from College/University.
- Student arrives at SEC and studies general ESL until the completion of Level 7.
- Student enters EAP program at SEC
 - > Student is monitored throughout the program and is assessed on weekly assignments and midterm exam.
- ** If student is not progressing at a level conducive to studying at the college level, SEC will notify college to defer acceptance.
- SEC provides College/University with proof of student's successful completion of EAP.
- College/University sends acceptance letter to SEC for student
- Student attends College/University

Description of Partner School Levels

SEC has formed partnerships with educational institutions at different levels. Below are the definitions of what the levels mean.

- *Admin Partnership (Level 1) Schools*

Student receives conditional letter of acceptance from partner institution upon registration at SEC.
Student provides partner institution with TOEFL or IELTS score upon completion of SEC's EAP program.

- *Direct Partnership (Level 2) Schools*

SEC partner institutions allow SEC EAP graduates to continue to College/University without the need of a TOEFL or IELTS score.

- *Pathway of Pathway (Level 3) Partnership*

After completion of study at our Direct Partner Institute, students have the option of further continuing into the second or third year of a Bachelor's program at a University which has an articulation agreement with SEC's partner institution.

Saint Mary's University:

Halifax, Nova Scotia

www.smu.ca | Partnership Level: 2 & 3

Halifax has the features of a big city in a small, compact city setting. Nestled on the edge of the Atlantic Ocean, this cosmopolitan port city offers the best of two worlds – a rich history with a close connection to the sea and a vibrant, young culture. As Nova Scotia's capital, Halifax is the major centre of the Maritimes and is also the largest city east of Quebec City and north of Boston. Halifax is also one of the oldest cities in Canada and provides a blend of history, culture and modern amenities.

Seneca College:

Toronto, Ontario

www.senecac.on.ca | Partnership Level: 2 & 3

Seneca offers more than an education. With campuses throughout the Greater Toronto Area, Seneca's size and diversity give students the advantage of partnerships with industry leaders, the latest in hands-on computer technology, a variety of class sizes, and full-time, part-time and continuing education options. Education should be flexible and accessible, so Seneca also employs various methods of teaching – from in-class lectures and online learning to co-op and field placements – in programs related to applied arts, business, financial services, and technology.

University of Fraser Valley: Vancouver and area, B.C.

www.ufv.ca | Partnership Level: 1

UFV is nestled in the beautiful Fraser Valley just east of Vancouver, British Columbia, Canada, UFV has campuses in Abbotsford, Chilliwack, and Mission, with regional centres in Hope and Agassiz, and a growing presence in Chandigarh, India. In Fall 2007, we began development of a beautiful new 80-acre campus in the Canada Education Park along the historic Vedder River in Chilliwack.

The Fraser Valley is growing quickly and is one of Canada’s most ethnically diverse regions. We’re surrounded by spectacular mountains, incredible scenery, fertile farmlands, and great recreational ideas for everyone in every season. Our communities are safe, our housing affordable — especially if you’re able to live at home — and our cities are close to Metro Vancouver, the United States border, and the Abbotsford International Airport.

UPEI's campus, located at the corner of Belvedere and University Avenues in Charlottetown, Prince Edward Island's capital city, is built on 134 acres (54 hectares) of land. The Confederation Trail runs alongside its eastern edge. Bachelor's degree programs, in many cases including "honours" options, are available in Arts, Science, Business Administration, Education, and Nursing. Co-op programs have been established in Business Administration, Computer Science, Physics, and Dietetics. One new faculty, Veterinary Medicine, and two schools, Business Administration and Nursing, were added as the university expanded.
